Independent Auditor's Report

**To the Horizons Committee of the Board of Trustees of
New Canaan Country School, Incorporated
New Canaan, Connecticut**

Report on the Financial Statements

We have audited the accompanying financial statements of Horizons at New Canaan Country School, a program of New Canaan Country School, Incorporated, which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Horizons' management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Horizons at New Canaan Country School, a program of New Canaan Country School, Incorporated, as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

June 30, 2018 and 2017

Note A - Description of Program and Significant Accounting Policies

Description of program

Horizons at New Canaan Country School (“Horizons”) provides academic, artistic, and athletic opportunities to students from local low-income families. This past year, approximately 400 K-12 students participated. All students attend the program on full scholarship, paying a nominal registration fee of \$75, which is waived in cases of extreme hardship. The program has been replicated across the country. Currently there are fifty-eight Horizons programs in operation, modeled after the New Canaan public/private partnership, serving thousands of students across the country. Horizons consists of an intensive six-week Summer Program, The School Year Program, The High School Program and The Parent Program. Programs include academic classes, enrichment activities, tutoring, academic coaching, parenting programs, music lessons, a winter program on Saturdays, SAT preparation and college tours.

Horizons is a program of the New Canaan Country School, Inc. (the “School”) and operates on the campus of the School. The operating results and financial position of Horizons could be significantly different if Horizons were an independent organization. The accompanying financial statements have been prepared solely from the accounts of Horizons and do not include any accounts of the School or any other operation in which the School is engaged.

Financial statement presentation

In accordance with accounting standards, Horizons is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted.

Contributions

In accordance with accounting standards, contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. Restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose restrictions.

Note A - Description of Program and Significant Accounting Policies (continued)

Net asset categories

To ensure observance of limitations and restrictions that may be placed on the use of resources available, the accounts of Horizons are maintained in the following net asset categories:

Unrestricted - Unrestricted net assets represent available resources other than donor restricted contributions. Donor restricted contributions which are satisfied in the same reporting period when the contribution is received are treated as unrestricted contributions. Included in unrestricted net assets are grants and contracts that are earmarked for the general-purpose use of Horizons.

Temporarily Restricted - Temporarily restricted net assets represent contributions that are restricted by the donor either as to purpose or as to time of expenditure.

Permanently Restricted - Permanently restricted net assets represent contributions that are limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of Horizons.

Cash and cash equivalents

Horizons considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Property, equipment and improvements

Property, equipment and improvements are carried at cost. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose.

Investments

Horizons has various investments in limited partnerships that invest primarily in other limited partnerships formed for the purpose of making investments in publicly traded securities, venture capital, domestic private equity and international private capital. Investments in limited partnerships are presented in the accompanying statements of financial position at fair value, as determined by the General Partner. Although the General Partner uses its best judgment in estimating the fair value of investments, there are inherent limitations in any estimation technique. Therefore, the values presented herein are not necessarily indicative of the amount that the limited partnerships could realize in a current transaction. Future confirming events could affect the estimates of fair value and could be material to the financial statements. These events could also affect the amount realized upon liquidation of the investments.

Contributed services

During the years ended June 30, 2018 and 2017, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded.

Income taxes

Horizons at New Canaan Country School is a separate operation of New Canaan Country School, Inc., which is a qualified organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Allocated expenses

Expenses by function have been allocated among program and support services classifications on the basis of estimates made by Horizons' management.

Note C - Fair Value Measurements

Accounting standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy under accounting standards are as follows:

Level 1 - Inputs that have an active market that provides an objective quoted value for each unit. Here the active market quoted value is used to measure the fair value. Level 1 has the most objective measurement of fair value. Level 2 is less objective and level 3 is the least objective (most subjective) in estimating fair value.

HORIZONS AT NEW CANAAN COUNTRY SCHOOL
NOTES TO FINANCIAL STATEMENTS

June 30, 2018 and 2017

Note C - Fair Value Measurements (continued)

Level 2 - Inputs other than quoted prices that are observable for the asset or liability where there is no active market in the same assets, but where there are parallel markets or alternative means to estimate fair value using observable information inputs such as the value placed on similar assets or liability that were recently traded.

Level 3 - Inputs that are unobservable. Fair values are based on information from the entity that reports these values in their financial statements. Such data are referred to as unobservable, in that the valuations are not based on data available to parties outside the entity.

Horizon's investments are reported at fair value in the accompanying statements of financial position:

Total	<u><u>\$ 5,427,433</u></u>	\$	<u><u>5,300,396</u></u>

(1) In accordance with FASB Accounting Standards Codification subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of financial position.

Note H - Endowment

The Board of Trustees of Horizons has interpreted the Connecticut Uniform Prudent Management of Institutional Funds Act (“CTUPMIFA”) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, Horizons classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulation to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by Horizons in a manner consistent with the standard of prudence prescribed by CTUPMIFA. In accordance with CTUPMIFA, Horizons considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the various funds;
- (2) The purposes of the donor-restricted endowment funds;
- (3) General economic conditions;
- (4) The possible effect of inflation and deflation;
- (5) The expected total return from income and the appreciation of investments;
- (6) Other resources of Horizons and
- (7) Horizons investment policies

Funds with Deficiencies: From time to time, the fair value of assets associated with donor-restricted endowment funds may fall below the level that the donor or CTUPMIFA requires Horizons to retain as a fund of perpetual duration. In accordance with accounting principles generally accepted in the United States of America, deficiencies of this nature are reported in unrestricted net assets. As of June 30, 2018 and 2017 there were no deficiencies.

Note H - Endowment (continued)

Return objectives and risk parameters: Horizons has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that Horizons must hold in perpetuity. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in accordance with sound investment practices emphasizing long-term investment fundamentals. It is recognized that short-term market fluctuations may cause variations in account performance.

Strategies employed for achieving objectives: To satisfy its long-term rate-of-return objectives, Horizons relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Horizons targets a diversified asset allocation consisting of domestic and international equity, hedge funds and other alternative asset holdings, domestic fixed income securities and cash to achieve its long-term return objectives within prudent risk constraints.

Spending policy and how the investment objectives relate to spending policy: In order to support the operating activities of Horizons, the Board of Trustees utilizes a spending policy taking up to five percent of the average of the prior twelve quarter-end endowment values up to and including June 30th. In establishing this policy, Horizons considered the long-term expected return on its endowment. Accordingly, over the long-term, Horizons expects the current spending policy to allow its endowment to grow, consistent with its objective to maintain the purchasing power of the endowment assets held in perpetuity as well as to provide additional real growth through new gifts and investment return.

Note I - Retirement Plan

Salaried employees are covered by a contributory retirement plan that is generally available to employees of educational organizations and provides for retirement benefits through the purchase of individually owned annuities. Horizons' policy is to fund costs accrued. Contributions for the year ended June 30, 2018 and 2017 were \$21,870 and \$44,396, respectively.

Note J - Commitments

The Horizons program has subscribed for investments in various limited partnerships investment funds. Outstanding commitments for additional capital contributions as of June 30, 2018 total \$332,582.

Note K - Postretirement Health Care Benefits

The School sponsors a defined benefit postretirement medical benefit plan covering certain full-time salaried employees who meet date of hire, years of service and age requirements. The plan is contributory, with retiree contributions adjusted annually. Accounting standards require recognition of this unfunded liability on the statement of financial position. Actuarial details of the plan can be found in the financial statements of the New Canaan Country School.

Note L - New Accounting Pronouncements

In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-14, Presentation of Financial Statements of Not-for-Profit Entities. ASU 2016-14 represents phase 1 of FASB's Not-for-Profit financial reporting project. ASU 2016-14 reduces the number of net asset classes; requires expense presentation by functional and natural classification; requires quantitative and qualitative information on liquidity; retains the option to present the cash flow statement on a direct or indirect method; and requires various other additional disclosure requirements. ASU 2016-14 is effective for annual reporting periods beginning after December 15, 2017 with retrospective application. Early adoption of ASU 2016-14 is permitted. The requirements of this ASU are effective for Horizons for the year ending June 30, 2019. Horizons has not evaluated the impact of this ASU on the financial statements.

Note M - Subsequent Events

Date of management evaluation

Management has evaluated subsequent events through October 31, 2018, the date on which the financial statements were available to be issued.
