**Independent Auditor's Report** 

To the Horizons Committee of the Board of Trustees of New Canaan Country School, Incorporated New Canaan, Connecticut

### Report on the Financial Statements

We have audited the accompanying financial statements of Horizons at New Canaan Country School, a program of New Canaan Country School, Incorporated, which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Horizons' management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Horizons at New Canaan Country School, a program of New Canaan Country School, Incorporated, as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

# Note A - Description of Program and Significant Accounting Policies

# Description of program

Horizons at New Canaan Country School ("Horizons") provides academic, artistic, and athletic opportunities to students from local low-income families. This past year, approximately 400 K-12 students participated. All students attend the program on full scholarship, paying a nominal registration fee of \$75, which is waived in cases of extreme hardship. The program has been replicated across the country. Currently there are more than sixty Horizons programs in operation, modeled after the New Canaan public/private partnership, serving thousands of students across the country. Horizons consists of an intensive six-week summer program, complemented by school year programming, a high school program and family programs. Offerings include academic classes, enrichment activities, tutoring, academic coaching, parenting programs, a winter program on Saturdays, SAT preparation, and college tours.

Horizons is a program of the New Canaan Country School, Inc. (the "School") and operates on the campus of the School. The operating results and financial position of Horizons could be significantly different if Horizons were an independent organization. The accompanying financial statements have been prepared solely from the accounts of Horizons and do not include any accounts of the School or any other operation in which the School is engaged.

### Financial statement presentation

The financial statements of Horizons have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for-Profit Organizations" (the "Guide"). (ASC) 958-205 was effective January 1, 2018.

Under the provisions of the Guide, net assets and revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of Horizons and changes therein are classified as follows:

<u>Net assets without donor restrictions:</u> Net assets that are not subject to donor-imposed restrictions may be expended for any purpose in performing the primary objectives of Horizons. Horizons' board may designate assets without restrictions for specific operational purposes from time to time.

<u>Net assets with donor restrictions:</u> Net assets that are subject to the stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Horizons or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

June 30, 2019 and 2018

# Note A - Description of Program and Significant Accounting Policies (continued)

# **Contributions**

Unconditional contributions are recognized when pledged and recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Gifts of cash and other assets are reported with donor restricted support if they are received with donor stipulations that limit the use of the donated assets.

When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restriction support. Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Contributions restricted for the acquisition of land, buildings, and equipment are reported as net assets without donor restriction upon acquisition of the assets and the assets are placed in service.

## Cash and cash equivalents

Horizons considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

# Property, equipment and improvements

Property, equipment and improvements are carried at cost. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose.

### **Investments**

Horizons has various investments in limited partnerships that invest primarily in other limited partnerships formed for the purpose of making investments in publicly traded securities, venture capital, domestic private equity and international private capital. Investments in limited partnerships are presented in the accompanying statements of financial position at fair value, as determined by the General Partner. Although the General Partner uses its best judgment in estimating the fair value of investments, there are inherent limitations in any estimation technique. Therefore, the values presented herein are not necessarily indicative of the amount that the limited partnerships could realize in a current transaction. Future confirming events could affect the estimates of fair value and could be material to the financial statements. These events could also affect the amount realized upon liquidation of the investments.

# Note A - Description of Program and Significant Accounting Policies (continued)

# **Contributed services**

During the years ended June 30, 2019 and 2018, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded.

### **Income taxes**

Horizons at New Canaan Country School is a separate operation of New Canaan Country School, Inc., which is a qualified organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code.

# Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

# **New Accounting Pronouncement:**

On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. Horizons has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.

### **Functional expenses**

The costs of providing program and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

ExpenseMethod of AllocationSalaries and benefitsTime and EffortServicesTime and EffortTraining and program developmentTime and Effort

### Note C - Fair Value Measurements

Accounting standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy under accounting standards are as follows:

Level 1 - Inputs that have an active market that provides an objective quoted value for each unit. Here the active market quoted value is used to measure the fair value. Level 1 has the most objective measurement of fair value. Level 2 is less objective and level 3 is the least objective (most subjective) in estimating fair value.

Level 2 - Inputs other than quoted prices that are observable for the asset or liability where there is no active market in the same assets, but where there are parallel markets or alternative means to estimate fair value using observable information inputs such as the value placed on similar assets or liability that were recently traded.

Level 3 - Inputs that are unobservable. Fair values are based on information from the entity that reports these values in their financial statements. Such data are referred to as unobservable, in that the valuations are not based on data available to parties outside the entity.

Horizon's investments are reported at fair value in the accompanying statements of financial position:

\$1	2 <u>019</u>	<u>2018</u>
Mutual funds Alternative investments:	\$ 4,290,279	4,094,863
Investment in limited partnerships	1,260,146	1,332,570
Total	\$5,550,425	5,427,433

June 30, 2019 and 2018

# Note C - Fair Value Measurements (continued)

Fair value was determined as follows:

June 30, 2019	Level 1	Level 2	Level 3	Other (1)	Total Fair Value
Mutual funds Alternative investments Total	\$ 4,290,279 - \$ 4,290,279	\$ - \$ -	\$ - - \$ -	\$ - \$ - 1,260,146 \$ 1,260,146 \$	1,260,146
June 30, 2018	Level 1	Level 2	Level 3	Other (1)	Total Fair Value
Mutual funds Alternative investments	\$ 4,094,863	\$	\$ -	\$ - \$ 1,332,570	4,094,863 1,332,570
Total	\$ 4,094,863			\$ 1,332,570 \$	

(1) In accordance with FASB Accounting Standards Codification subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of financial position.

The limitations and restrictions on Horizons' ability to redeem these investments vary by investment. Investments in limited partnerships valued at \$387,576 have no redemption rights. Based upon the terms and conditions in effect at June 30, 2019, Horizons' remaining investments in limited partnerships can be redeemed as follows:

<u>June 30,</u>	<u>Amount</u>

### Note G - Concentration of Credit Risk for Cash Held at Bank

Horizons maintains cash balances at financial institutions that are insured by the Federal Deposit Insurance Corporation up to \$250,000. Horizons maintains deposits that exceed the insured balance throughout the year.

June 30, 2019 and 2018

### Note H - Endowment

Horizons' endowment includes both donor-restricted endowment funds which are classified and reported based on the existence or absence of donor-imposed restrictions, and funds designated by the Board of Trustees to function as endowment.

The Board of Trustees of Horizons has interpreted the Connecticut Uniform Prudent Management of Institutional Funds Act ("CTUPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, unless there are explicit donor stipulations to the contrary. As a result of this interpretation, the School classifies as with donor restrictions (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment and (c) accumulation to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure by us in a manner consistent with the standard of prudence prescribed by CTUPMIFA. Horizons considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the various funds;
- (2) The purposes of the donor-restricted endowment funds;
- (3) General economic conditions;
- (4) The possible effect of inflation and deflation;
- (5) The expected total return from income and the appreciation of investments;
- (6) Other resources of Horizons and
- (7) Horizons' investment policies.

Endowment funds held in cash and cash equivalents as of June 30, 2018 were \$161,079.

Funds with Deficiencies: From time to time, the fair value of assets associated with donor-restricted endowment funds may fall below the level that the donor or CTUPMIFA requires Horizons to retain as a fund of perpetual duration. In accordance with accounting principles generally accepted in the United States of America, deficiencies of this nature are reported in unrestricted net assets. As of June 30, 2019 and 2018 there were no deficiencies.

Return objectives and risk parameters: Horizons has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in accordance with sound investment practices emphasizing long-term investment fundamentals. It is recognized that short-term market fluctuations may cause variations in account performance.

Strategies employed for achieving objectives: To satisfy its long-term rate-of-return objectives, Horizons relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Horizons targets a diversified asset allocation consisting of domestic and international equity, hedge funds and other alternative asset holdings, domestic fixed income securities and cash to achieve its long-term return objectives within prudent risk constraints.

June 30, 2019 and 2018

# Note H - Endowment (continued)

Spending policy and how the investment objectives relate to spending policy: In order to support the operating activities of Horizons, the Board of Trustees utilizes a spending policy based on up to five percent of the average of the prior twelve quarter-end endowment values up to and including June 30<sup>th</sup>. In establishing this policy, Horizons considered the long-term expected return on its endowment. Accordingly, over the long-term, Horizons expects the current spending policy to allow its endowment to grow, consistent with its objective to maintain the purchasing power of the endowment over time as well as to provide additional real growth through new gifts and investment return

## Note I - Retirement Plan

Salaried employees are covered by a contributory retirement plan that is generally available to employees of educational organizations and provides for retirement benefits through the purchase of individually owned annuities. Horizons' policy is to fund costs accrued. Contributions for the year ended June 30, 2019 and 2018 were \$39,309 and \$21,870, respectively.

### **Note J - Commitments**

The Horizons program has subscribed for investments in various limited partnerships investment funds. Outstanding commitments for additional capital contributions as of June 30, 2019 total \$375,162.

## Note K - Postretirement Health Care Benefits

The School sponsors a defined benefit postretirement medical benefit plan covering certain full-time salaried employees who meet date of hire, years of service and age requirements. The plan is contributory, with retiree contributions adjusted annually. Accounting standards require recognition of this unfunded liability on the statement of financial position. Actuarial details of the plan can be found in the financial statements of the New Canaan Country School.

June 30, 2019 and 2018

# Note L - Liquidity

Horizons financial assets available within one year of the balance sheet date for general expenditure are as follows:

	<u> 2019</u>	<u> 2018</u>
Cash and cash equivalents	\$ 1,280,263	\$ 1,125,296

Horizons' financial assets have been reduced by amounts not available for general use because of donor imposed restrictions within one year of the balance sheet date and amounts set aside for long-term investing in endowments.

Endowment funds consist of donor-restricted endowments and funds designated by the board as endowments. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds are not available for general expenditure.

As part of Horizons' liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The board-designated endowment, which consists of investments of \$5,384,779 and cash and cash equivalents of \$128,421, is subject to an annual spending rate of up to 5% as described in Note L. Although Horizons does not intend to spend from this board-designated endowment (other than amounts appropriated for general expenditure as part of the Board's annual budget approval and appropriation), these amounts could be made available if necessary.

June 30, 2019 and 2018

# Note M - Special Events

Special events generate revenue for the School as well as raise awareness about the organization's mission. Some events are annual and some are incidental to the School's central activities and do not happen regularly. Incidental events are recorded net in the accompanying Statement of Activities.

The School held one annual event during the year ended June 30, 2019 related to Horizons' biennial benefit as follows:

# Changes in net assets with donor restrictions
